

EU ENERGY LABEL CLASSIFICATION*

**KOBOLD VK150
UPRIGHT VACUUM
WITH
KOBOLD EB370
ELECTRIC BRUSH**

Manufacturer/supplier	Vorwerk Elektrowerke GmbH & Co. KG, Wuppertal, Germany
Model	Kobold VK150 with Kobold EB370
Energy efficiency class	B
Indicative annual energy consumption	32.9 kWh/year based on 50 cleaning cycles. The actual annual energy consumption depends on how the device is used.
Cleaning performance (carpet)	B
Cleaning performance (hard flooring)	A
Dust re-emission class	A
Sound power level	81 dB(A) re 1 pW
Nominal power input	800 + 100 watts
Certification	as universal vacuum

**KOBOLD VK150
UPRIGHT VACUUM
IN COMBINATION WITH
KOBOLD HD50
HARD FLOOR NOZZLE**

Manufacturer/supplier	Vorwerk Elektrowerke GmbH & Co. KG, Wuppertal, Germany
Model	Kobold VK150 with Kobold HD50
Energy efficiency class	A
Indicative annual energy consumption	26.7 kWh/year based on 50 cleaning cycles. The actual annual energy consumption depends on how the device is used.
Cleaning performance (carpet)	supplied nozzle not suitable for use on carpets
Cleaning performance (hard flooring)	C
Dust re-emission class	A
Sound power level	84 dB(A) re 1 pW
Nominal power input	800 W
Certification	as vacuum for hard flooring
